

BALANCING YOUR BUDGET

Having a balanced budget can sometimes feel like you are at a three ring circus! HAPO is here to help you understand how easy it can be with our game below!

YOU WILL NEED:

Dice

Pencil

Friends or Family to play with!

YOUR STARTING BANK BALANCE: \$1,000

How will you spend it?

1. Divide your money between the categories as "credit". You should have \$250 in each category.
2. Roll the die and follow the directions. (Decide which category to add or subtract from)
3. Subtract: debit
4. Add: credit
5. Adjust your balance each time.
6. After 10 roll, find your total bank balance.

	Add \$20
	Subtract \$100
	Add \$40
	Subtract \$30
	Add \$100
	Subtract \$200
